FOR THOSE WHO REGISTERED TO VOTE BY MAIL

Tewksbury Town Clerk, Elizabeth Carey, informs voters who registered to vote by mail, of the requirements of the Help America Vote Act, a federal law passed by Congress in 2002, which requires if you registered to vote by mail, and this is the first time you are voting in a Federal/State Election, to bring identification with you. Do not leave your identification at home or in your vehicle, bring it into the polling place with you. Leaving the voter line to retrieve your identification will not guarantee you return to your previous place in line. Acceptable identification must include your name and address at which you are a registered voter, for example; a current and valid photo identification, a current utility bill, bank statement, government pay check, a government check or other government document.
